About Poker Tempo - Real Money / Play Money Game

PokerTempo is growing as one of the best online poker experience provider.

PokerTempo has a small download size with compatibility for both Windows and Mac. You do not need to create your account before downloading the software. We have used the best resource in modern technology with a great emphasis on UI/UX to create an experience like never before.

Cash Game - All Games | Hold'em | Omaha

This screenshot shows the 'All Games' menu. At the top, it displays 'Tokens: 5000' and 'Pokerchips: 0.00'. Below this are three tabs: 'CASH GAMES', 'TOURNAMENTS', and 'PLAY MONEY'. Under 'CASH GAMES', there are four sub-tabs: 'All' (selected), 'Hold'em', 'Omaha', and 'Omaha 5'. The main area lists six games with their respective icons, names, buy-ins, blinds, and player counts. Each game has a green 'Play' button. At the bottom, there is a 'Tables (0)' indicator and a navigation bar with icons for Settings, Cashier, Lobby, Profile, and More.

Game Name	Buy-in	Blinds	Players
Groovy Ninjas	25/100	0.5/1	0/6
Typhoon Tuesday	25/100	0.5/1	0/6
ChipsCastle	25/100	0.5/1	0/6
DodgeBall-1	50/200	1/2	1/6
Dynamite	50/200	1/2	0/6
Tyrannical Thursday	50/200	1/2	0/6

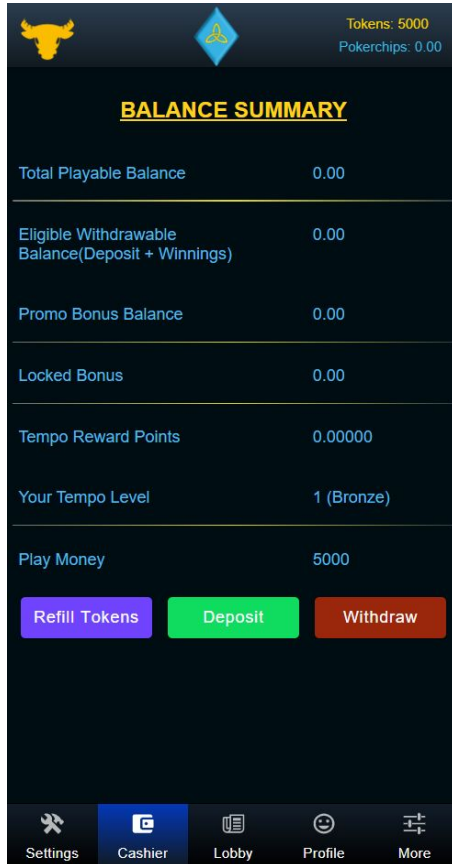

This screenshot shows the 'Hold'em' menu. The top section is identical to the 'All Games' screen. The 'Hold'em' sub-tab is selected. The main area lists six Hold'em games with their respective icons, names, buy-ins, blinds, and player counts. Each game has a green 'Play' button. At the bottom, there is a 'Tables (0)' indicator and a navigation bar with icons for Settings, Cashier, Lobby, Profile, and More.

Game Name	Buy-in	Blinds	Players
Groovy Ninjas	25/100	0.5/1	0/6
Dynamite	50/200	1/2	0/6
Rockers and Rollers	100/400	2/4	0/6
Ludicrous	250/1K	5/10	0/6
The High Lights	500/2K	10/20	0/6
Irish Luck	1.25K/5K	25/50	0/6

This screenshot shows the 'Omaha' menu. The top section is identical to the 'All Games' screen. The 'Omaha' sub-tab is selected. The main area lists six Omaha games with their respective icons, names, buy-ins, blinds, and player counts. Each game has a green 'Play' button. At the bottom, there is a 'Tables (0)' indicator and a navigation bar with icons for Settings, Cashier, Lobby, Profile, and More.

Game Name	Buy-in	Blinds	Players
Typhoon Tuesday	25/100	0.5/1	0/6
Tyrannical Thursday	50/200	1/2	0/6
Sassy Saturday	100/400	2/4	0/6
Shiny Sunday	250/1K	5/10	0/6
Whiplash	1.5K/6K	25/50	0/6
Lolas Game	5K/20K	100/200	0/6

Cashier - Deposit / Withdraw Page

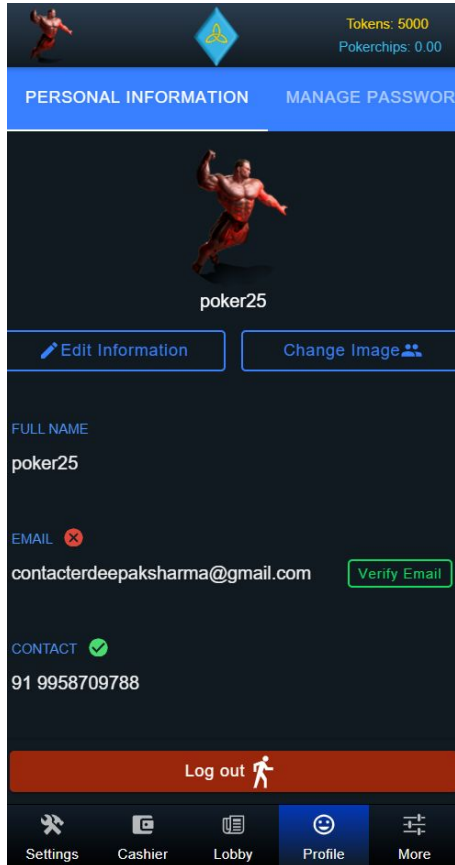

The screenshot displays a mobile application interface for a cashier page. At the top, there are two icons: a yellow bull head and a blue diamond with a white symbol. To the right, it shows 'Tokens: 5000' and 'Pokerchips: 0.00'. The main section is titled 'BALANCE SUMMARY' in yellow. Below this, a list of balance items is shown with their respective values: Total Playable Balance (0.00), Eligible Withdrawable Balance (Deposit + Winnings) (0.00), Promo Bonus Balance (0.00), Locked Bonus (0.00), Tempo Reward Points (0.00000), Your Tempo Level (1 (Bronze)), and Play Money (5000). At the bottom of this section are three buttons: 'Refill Tokens' (purple), 'Deposit' (green), and 'Withdraw' (orange). The bottom navigation bar contains five icons with labels: 'Settings', 'Cashier' (highlighted), 'Lobby', 'Profile', and 'More'.

Item	Value
Total Playable Balance	0.00
Eligible Withdrawable Balance (Deposit + Winnings)	0.00
Promo Bonus Balance	0.00
Locked Bonus	0.00
Tempo Reward Points	0.00000
Your Tempo Level	1 (Bronze)
Play Money	5000

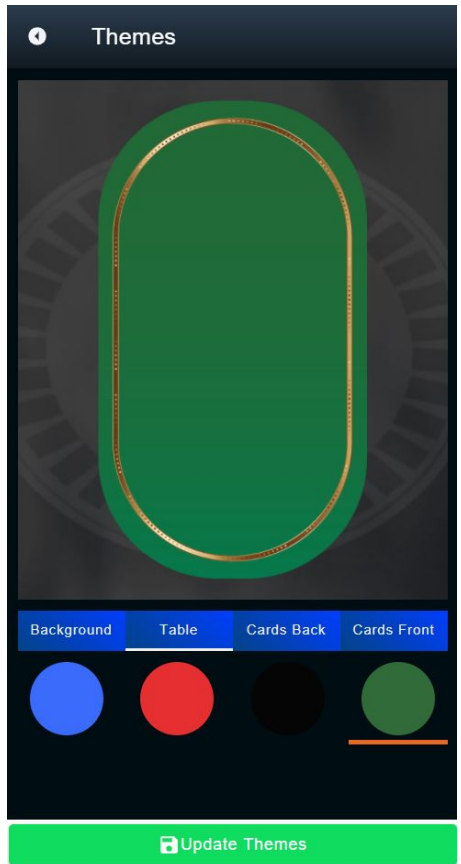

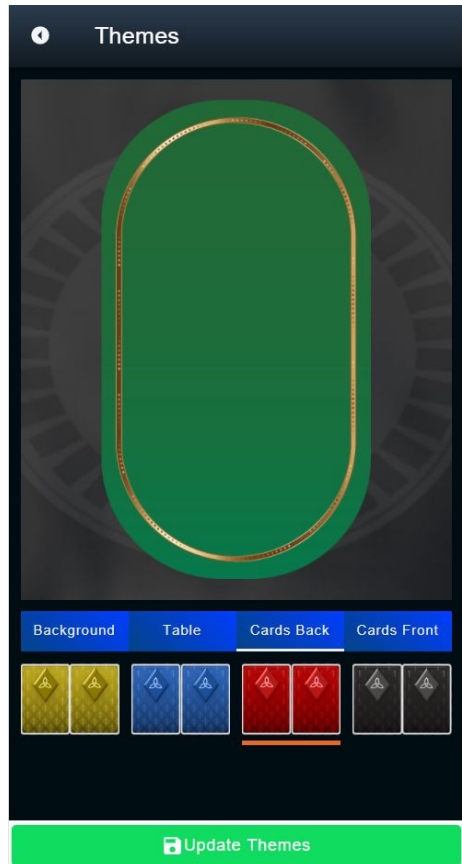

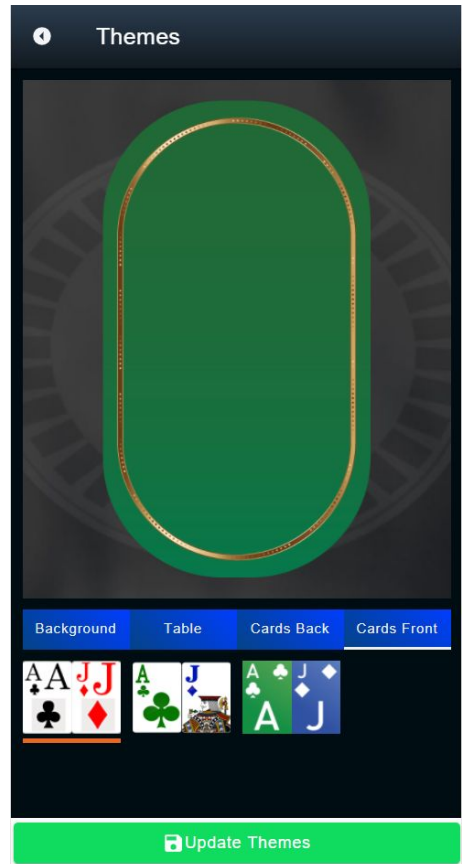

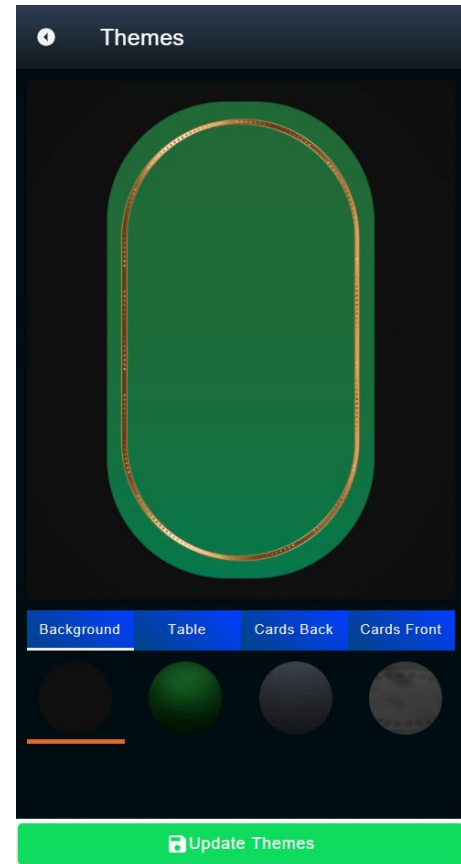

Using cashier, customer can deposit the money to his wallet and withdraw the winning price.
